FRONT SIGHT PRESENTS

CONSTITUTIONAL DEFENSE
OF YOUR Family & Freedom

Rick Green is a former legislator who passed legislation to stop cities from suing gun makers they were trying to blame for crime. Charlton Heston once said "Rick Green is a Patriot we can trust" and Chuck Norris calls Rick a "Constitutional Expert." The Founder of Patriot Academy and a Front Sight Handgun Distinguished Graduate, Rick will bring history to life and equip you with the intellectual ammunition you need to defend the 2nd Amendment and restore our Constitutional Republic.
